Summary: Love live sunshine LEMON (I just wanted to write something short and fast) also it my first time writing so please tell me if I need correcting! Dia is staying the night at Mari's house while Mari's parents are out of town for work. Ruby is always saying how Dia is more talented and experienced at things than she is so I decided to give Ruby a on-up on Dia. Thanks for reading this!

Our secret (love live sunshine) (diamari)

Dia was taking a shower while Mari waited for her impatiently. Just thinking about Dia's beautiful pale skin as water ran down it, left Mari flustered, and wanting more. Mari reached down and pulled her dress up to reveal her frilly pastel purple underwear. She reached her hand under the waistband of her panties as she bit her lip. She started thinking about what it would be like for Dia to do this to her as she inserted a finger inside of herself. She quietly gasped as she started moving her finger faster, imagining Dia being the one doing this made it feel much better. Mari started breathing heavily as the pleasure consumed her she started talking in between moans "a-ah! D-Dia I'm going to cum!" she moaned as she came which left her clothes wet. "oh no! I need to clean this before Dia gets out of the shower!" She got up to go change but when she turned around Dia was standing there with a bright red face.

"O-oh hi Dia how long have you been there" Mari asked nervously. Dia blushed and averted her eyes as she answers "ever since you were moaning my name" Dia continued to blush. An embarrassed Mari says "oh my gosh, Dia I'm so sorry. I totally understand if you don't want to stay at my house anymore if you want I'll have someone drive you home. Dia pushes Mari onto the couch then straddles her "why are you apologizing it's something I do too. I Think about you touching me. Does that make me weird?" "No it's not weird Dia it's perfectly normal to think about the person you like touching you, in fact it makes me happy." Mari says as she smiles.

Dia passionately kisses Mari until they can't hold their breath any

longer. "That was my first kiss" Dia says shyly "mine too" Mari replies. Dia takes Mari's clothes off and plays with her breasts. Mari pushes Dia away and looks at her face as she say "it's not fair Dia I want to make you feel good too" Dia takes off the robe "here Mari" Mari stares at Dia as Dia blushes furiously "I love you Dia. I love everything about you. Your smile, your voice, the contrast between your dark hair and pale skin, I love all of it." Dia smiles and replies "me too Mari I love everything about you too. Your golden eyes and hair, everything." Mari starts sucking on dia's nipple as Dia moans loudly "oh? What's this? Is this your weak spot student council prez?" Mari playfully asks. "S-so what if it is. Ah! Also don't call me student council prez it's weird. Ah!" Dia responds.

Dia reaches down and inserts a finger into Mari "you're really wet Mari" Dia says shyly. "Huh?" Mari's finger plunges into Dia's entrance "you're one to talk! You're like a freaking river or something! Seriously how are you so wet?!" Mari mockingly asks. Dia responds in between her moans "d-don't say that! Ah! It's embarrassing! Ahn! M-Mari right there it feels good!" Mari agrees while moaning with Dia "it feels good where you are touching me too, ah!" Dia begins breathing heavily "Mari I'm going to cum! ah!" Mari answers "m-me too" both girls cum as they kiss. After a few minutes of laying together, Dia gets up and checks her phone with a look on her face saying "we're in trouble"

"what is it?" Mari asks confused. "Ruby called me multiple times and I didn't answer so she is coming to check on us and she's already here" Mari runs to her bedroom and throws Dia an oversized t-shirt. Mari shuts the bedroom door to change. Dia puts the t-shirt on as the doorbell rings. She opens the door to see Ruby standing in the snow with a red nose. Dia knew it wasn't a good time to invite Ruby into the house but the poor girl was freezing to death, after all it was Dia's fault Ruby went out in this weather.

"Come in" Dia tells Ruby as Ruby hangs her coat up. "Wait in the living room I'll make some tea" Dia tells Ruby. A few minutes later Dia comes back with steaming tea and gives a cup to Ruby "thank you onee-chan!" Ruby says thankfully. "So why didn't you answer your phone onee-chan?" Ruby starts quizzing Dia. "I-i was in the shower" Dia says nervously. "ok. where is Mari?" Ruby asks. "She's asleep" Dia says confidently, right until they heard a loud thud followed by "ow! What the hell did I trip on?!"

Dia sighs as Ruby looks at her suspiciously before asking "you're acting strange onee-chan, what are you hiding?"

"W-what are you talking about Ruby?! I'm not hiding anything, I have nothing to hide!" Dia says to her little sister. "Really then what's that?" Ruby says like a know it all pointing at the stream of liquid flowing down from between Dia's legs past the t-shirt. "KYAHH!" Dia screams pulling the t-shirt past her knees. "Don't worry I won't tell anyone" Ruby says still drinking her tea. "How do you even know about these indecent things Ruby!? I thought you were my pure little sister who knew nothing about these kinds of things?!" Dia says surprised her innocent little sister knew about these kinds of things. "Obviously I've done them before" Ruby calmly replies as she giggles.

"What the hell?! With who?!" Dia says angrily. "With maru-chan of

course" Ruby says nonchalantly.

"For the love of god Ruby don't scare me like that! If it was Maru Why didn't you tell me?" Dia asks Ruby. "I was just nervous you would get all mad at me, like you always do. Also why didn't you tell me?" Dia blushes as she answers "well we just had our first time right before you got here." "Oh I see."

Ruby finishes her tea. She walks to the front door and starts putting her coat back on "thanks for the tea onee-chan I'm going to go now." "wait Ruby it's late, and snowing you can stay here if you want to." Dia says concerned about Ruby's safety. "No thanks I'm going back to Maru-chan's house, oh don't worry like I said, I won't tell anyone if you don't tell anyone about me and Maru!" Ruby says enthusiastically. "Are you sure that you don't want to stay Ruby?" Dia asks once again. "Nope I'm ok! Besides you and Mari probably want "alone" time. Bye See you tomorrow!" Ruby says as she runs towards Maru's house.

Dia locks the front door. "Mari you can come out now" Mari doesn't answer, "Mari?" Dia goes to the bedroom and sees Mari "oh you're asleep." Dia turns the lights off and on lays down next to Mari. Dia kisses Mari's cheek "I love you Mari, good night." Dia says as she smiles. Dia holds Mari's hand until she falls asleep.
